

# SLB-SBOX+

## SmartBox+ Wall Mount

Wall Mount VCR/DVD enclosure with SmartPanel mini-controller cabinet.

SmartBox+ shown in closed position, with SmartPanel Control Interface (SP2-SMCHAS-SW - not included)

### FEATURES

The SmartBox+ is an impressive mounting solution for the PixiePro (PX2-MP-IR) or Small Chassis SmartPanel (SP2-SMCHAS) and any VCR, DVD, or VCR/DVD combo. The SmartBox+ shelf folds down to reveal a standard VCR or DVD player. The folding deck provides a convenient place to rest a laptop or portable video source.

The product includes mounting hardware for virtually every situation. You must specify four SLB-MINI modules for each SmartBox+. Available in custom colors (4 unit minimum). Lead times on custom colors may be up to six weeks.
